

# POSSESSIVE NOUNS

## Definition

Possessive Nouns show ownership or possession.

## Examples

- Cat's tail
- Aira's dress
- Ali's pen

## Singular Possessive Nouns

These are the singular nouns that show possession or ownership.

### Example:

The men's office is located on the third floor.

## Plural Possessive Nouns

These indicate possession and are formed by adding apostrophe to the plural nouns ending with s.

**Example:** The children's clothes are new.

## Possessive Pronouns

These are used in the place of nouns to show possession.

### Example:

This dress is hers.

## Irregular Possessive Nouns

Irregular Plural Possessive Noun forms from the Irregular Plural Noun. **Examples:**

My teeth's enamel is aching.
